

Houghton Primary School

Behaviour

At Houghton we think that we are a **Golden School**.

A **Golden School** is a place where:

People care for each other

People work together

Children have high aspirations

There is personal responsibility

People respect one another

The children are cared for and nurtured

Everyone belongs to the community

There is team work

There is a love of learning

Relationships are positive

There are good listeners

People have fun together and are confident

Decisions are made

People feel good about themselves

People communicate well

It is safe

It is creative and dynamic

It is a very positive place to be

We all work together to keep our school **Golden**.

We have decided on six **Golden Rules** which will help us to keep the school **Golden**.

Everyone in the school worked together on the **Golden Rules**. The children, the teachers, the midday team, the teaching assistants... we were all involved. The School Council helped to take all their ideas and put them together to make just 6 rules which we trust everyone in our school community to keep. The School Council launched the **Golden Rules** in an assembly in January 2008.

Our **Golden Rules** are:

We are gentle

We are kind and helpful

We listen

We are honest and remember our manners

We work hard

We look after property
