Houghton Primary School Out of School Hours Club (HPSOSHC) opened for business on Tuesday 14 April 2009. It is now run by the school governors of Houghton Primary School. They aim to be able to provide high quality out-of-school hours childcare for the community.

Sadly the famous purple mobile classroom which housed the previous out-of-school club, HOOTS, was demolished at Easter as part of the re-development of the school. HPSOSHC operates from the 'spare' classroom within the school building. Access is via the external classroom door. We aim to continue to provide out-of-school child care for a maximum of 24 children throughout the re-development of the school.

Although the management and location of our out of school child care has changed, the ethos of the provision will not. We are delighted that the experienced and dedicated staff of HOOTS have continued with us at HPSOSHC. The club aims to provide a friendly and secure environment, seeking to foster a relaxed atmosphere focused on play and leisure for the children to enjoy before and/or after school. A wide range of activities will be on offer ... arts, crafts, music, games, puzzles, outdoor activities, computers and the opportunity for all children to socialise outside of school. The club continues to provide a dedicated quiet area which includes comfy sofas and chairs, books and DVD facilities. The children now have free, supervised access to the playground and adventure playground. Children have the opportunity to work on their homework if they wish. During the school holidays HPSOSHC organises a variety of activities to keep the children fully occupied including outdoor games, sports, picnics and trips out.

Please find our fees and opening hours in this leaflet and call into the school office for a booking form if you would like to secure your child's place.
